

1 July 1986

MAU - 6011

MEMORANDUM FOR: Director, FBIS
THROUGH : Chief, Operations Group
SUBJECT : Monthly Report - Austrian Bureau - July 1986

I. GENERAL

1. The Austrian PTT inspected the bureau's new KU-band satellite antenna and gave us the go-ahead to start operation. A license for use of the antenna is being sent to the bureau.

2. On 8 July Kurt Waldheim was sworn in as Austrian President. The anticipated absence of U.S. Ambassador Ronald Lauder was severely criticized by most of the Austrian press and by People's Party politicians, although the absence of the Soviet and SFRY ambassadors was barely mentioned. The bureau texted Waldheim's inauguration speech and excerpted Kirchsclaeger's farewell address. Ambassador Lauder did attend Waldheim's reception for the diplomatic corps on 10 July.

II. OPERATIONS

A. Monitorial/Editorial *giving*

1. Aside from showing concern over the current harvest, the East European countries are beginning to publish their semiannual plan fulfillment reports (the GDR, Bulgarian and CSSR reports were filed toward the end of the month). The Polish draft central annual plan has generated about 22,000 words of text. The bureau also completed processing materials from the Yugoslav and Polish party congresses. The Ukrainian Central Committee Plenum, Ukrainian Supreme Soviet session, and the continuing aftermath of Chernobyl have produced a large amount of copy from PRAVDA UKRAINY.

2. Yasir 'Arafat's visit to Vienna for a conference on southern Africa led to some brief interviews.

3. A 24-hour AFP strike beginning on 10 July and a 96-hour strike beginning on 15 July diminished our monthly copy from that source.

- 2 -

4. Throughout the month our Bulgarian and Romanian monitors and associate editor [] have been working hard on the economic survey we are doing at the request of the BBC. The final report, which [] is preparing with the help of the Lotus I, II, III program, will list all economic data available from radio and press agencies and the extent to which the same material is covered by the press.

STAT

STAT

B. Communications

1. Our incoming circuit was kept open all night on 1 and 2 July due to huge incoming backlogs created by outages and materials from the PZPR and LCY congresses.

2. We experienced some trouble on 3 July and extensive outages on 10-14 July with our VCVC link to London, which is now our primary sending route. During most of these outages the state circuit proved almost worthless as an altroute for outgoing traffic. Although opinions on the cause of the VCVC trouble varied, the evidence points to equipment problems at the BBC end.

3. The embassy communications line was out for 52 hours, 36 minutes; the VCVC line, which we are using for outgoing traffic, was out for 8 hours 33 minutes.

III. ADMINISTRATION

STAT

1. Engineer [] arrived 18 July to replace [] who is leaving 1 August []

STAT
SSTAT

IV. VISITS

[] enroute from Paraguay to Tel Aviv, visited the bureau on the evening of 24 July and the morning of 25 July. As a former Vienna Bureau deputy chief, he did not want to miss anybody.
